Re: SOAH Consolidated Docket No. 473-19-1265, PUC Docket No. 48785; *Joint Application of Oncor Electric Delivery Company LLC, AEP Texas Inc., and LCRA Transmission Services Corporation to Amend Their Certificates of Convenience and Necessity for 345-kV Transmission Lines in Pecos, Reeves, and Ward Counties, Texas (Sand Lake to Solstice and Bakersfield to Solstice)*

Dear Judge Neinast and Judge Soto,

At the request of LCRA Transmission Services Corporation, and in an effort to speed along the construction of the Bakersfield to Solstice portion of this project, Occidental Permian Ltd., Oxy Delaware Basin, LLC, Oxy USA Inc., Oxy USA WTP LP, Houndstooth Resources, LLC, and Occidental West Texas Overthrust, Inc. (collectively "Oxy") would like to withdraw Oxy Exhibit 1, which is Mr. Albert Mendoza's routing testimony in the Bakersfield to Solstice portion of this docket. That testimony is aligned completely with the testimony filed in support of the stipulation, and is not necessary to present a full record to the Commission. Because waiting to formally enter that exhibit into the record may delay the submission of the Bakersfield to Solstice settlement for the Commission's consideration (and by extension, the construction of that line), Oxy hereby withdraws Oxy Exhibit 1.

Thank you for your attention to this matter.

Very truly yours,

Michael McMillin  
Attorney for Oxy
